"Christianity Today" is a fortnightly publication issued in Washington. It recently published an article entitled, "Bigotry or Smear?" This article summarized the opposition to a member of the Roman Catholic religion serving in public office in the United States.

I am neither a Roman Catholic nor a Protestant. I am, by religion, a Jew and cherish the heritage of my fathers. This political quarrel between Catholic and Protestants does not affect me as a religious partisan; it does affect me as an American who fears the consequences of the bitterness that religious particularism is developing in this country.
